SEDITION

On 6/6/56, [redacted] Manhattan Group A,
Selective Service System, 346 Broadway, NYC, furnished a letter
received from [redacted] registrant of LB 1 in NYC.
[redacted] stated she wished to bring the contents of this
letter to the attention of the FBI as it appeared to contain
strong inferences of anti-Semitic.

The letter was written on the letter head of the
Realpolitical Institute, Post Office Box 1785, Chicago 90,
Illinois, and indicated a change of address for [redacted] to
[redacted] Chicago, Illinois. [redacted] stated
that while she never heard of this organization the contents
of the letter and the symbol it contained which resembled
the lightning flash emblem formerly used by the German Gestapo
seemed reason enough for it to be called to the attention of
the FBI at this time.

NY files reflect [redacted] was the subject of
a Selective Service Act of 1948 - Sedition case, Milwaukee origin,
during 1953, as the result of a similar letter directed to the
Selective Service Board in Milwaukee, Wisconsin. Prosecution
was declined inasmuch as there was no evidence of willful
delinquency and that subject's letter did not constitute a
violation of sedition statute.

NOTICE TO APPLICANTS FOR MEMBERSHIP IN THE
AMERICAN NAZI PARTY

It is not easy to join the American Nazi Party. We purposely made it difficult, partly to protect the Party from spies and agents provocateurs, but also to weed out those who imagine this is a "club" or "gang" which can be joined lightly and frivolously.

The American Nazi Party will one day assume the enormous burdens of leadership of the American Nation, and thus of the White Western World. This is not a task for any kind of a "gang" or "mob" as we are often painted by the press. We are fighting and in training for state-manship on a global basis, and cannot tolerate weaklings, wise guys, hoods, bullies or criminal saboteurs.

Our vicious opponents, the Communist International unhesitatingly demands that its members submit the most intimate personal information to it before joining, - much more intimate information than we demand here. The enemies' discipline also requires that a husband leave his wife without a word and move to another city, to kill and spy on orders from the criminal leaders in Moscow or New York.

We are the ONLY real, fighting opposition to this gigantic Marxist machine which has almost taken possession of the whole planet. We cannot win over such a powerful and brutal enemy by half-measures. We cannot draw back from anything just because it is "embarrassing" or "trouble".

If you are utterly sincere in your desire to fight for the White Race, and our American Republic against Jewish Marxism and Race-murder, you will cheerfully and CAREFULLY PRINT all the information required in the following form, and then swear that it is true before a Notary Public. It will be treated in the utmost confidence.

Seth D. Ryan, Lieutenant
National Secretary, ANP.

FINGER PRINTS IMPORTANT!

Place your fingerprints below CAREFULLY in the space provided. Use a stamp pad to ink your fingers, if one is available. If not, use a cloth dampened lightly with regular ink. Prints do NOT have to be dark or heavy. They are best when clear, even if light.

Do not just press down, - roll your prints on - the way it is done for the F.B.I., Police, etc. if you are familiar with their procedure. Roll your whole wrist around to put a square-shaped print neatly in the center of each space.

I recognize the American Nazi Party as the vanguard organization of National Socialism in America, together with affiliated Nazi groups overseas, as the last great hope of the White Man in the world today.

INFORMATION CONCERNING

At 5:30 p.m., 7/17/56, Inspector J. A. SIZOO called from the Bureau. He referred to a letter to the Bureau from Indianapolis dated 7/5/56, captioned as above, copies of which were sent to Chicago.

Inspector SIZOO stated that the letter was self-explanatory and in connection therewith the Bureau desired the following action to be taken.

1.) Conduct discreet inquiries at Hinsdale, Illinois, to determine whether any crosses have been burned in that area recently as alleged in relet.

2.) Confidentially advise the Chief of Police, Hinsdale, regarding the information received from a confidential source to the effect there would be a cross burn on the lawn of the Indian minister of the Unitarian Church in Hinsdale.

3.) Advise Bureau of information in Chicago files regarding [REDACTED] as well as the three other individuals mentioned in the memorandum.

4.) Mr. SIZOO stated that in event Chicago indices were negative on any of these four individuals, sufficient preliminary inquiry should be conducted to obtain background information and that should be furnished to the Bureau. He stated that it was desired that an airtel be submitted by the Chicago Office to reach the Bureau no later than Monday, July 23, 1956, setting forth results of above.

5.) Inspector SIZOO also referred to the information in the letter to the effect that efforts were going to be made to cause a disturbance at the Democratic National Convention to be held in Chicago. Inspector SIZOO stated that the Bureau was desirous of receiving any additional information which Chicago might have along these lines and further the Bureau would entertain any recommendation Chicago felt advisable insofar as making local dissemination of this information to the police department.

By SAC Letter No. 58-63 you were instructed to take certain steps in cases involving bombings having an apparent racial or religious interest with resultant widespread publicity interest. - D. The SAC or individual in charge will contact the local authorities and extend the FBI services.
- E. The ASAC will arrange for immediate notification of necessary Agent personnel. This should be handled in the most expeditious manner. You may desire to setup a system whereby each Agent upon receiving notification is responsible for immediately notifying another designated Agent thus increasing the number of Agents that may be contacted in the shortest possible time. Agents should proceed to the office or to the scene of the bombing to carry out their previously designated assignments.
- F. The ASAC may in instances involving bombings having apparent racial or religious basis immediately notify neighboring offices by teletype so that such offices may begin an immediate check as to the whereabouts of possible suspects.

II. Assignments

- A. The SAC or person acting in his absence will immediately proceed to the scene of the bombing and will be responsible for the over-all supervision and coordination of all Bureau activities.
- B. The ASAC, the second in command, will remain at the field office.
- C. An Agent should be designated to maintain liaison with the police. Consideration should be given to having this individual stationed at police headquarters so that he may immediately obtain any pertinent information coming to the attention of local authorities.
- D. Military liaison. Consideration should be given to having an Agent responsible for liaison with military authorities. This is particularly important in instances wherein it may be necessary to request explosive or detonation experts from a military establishment to handle explosives found at the scene which have not been discharged. Of course, it will not always be necessary for military explosive or detonation experts to be called to the scene.

Chicago Indices failed to reflect any information regarding MORRIS SCHETNITZ and Chicago directories failed to reflect any existence of a Caxton Printers Limited in the Chicago, Illinois area.

On January 2, 1959, SAs JOHN W. TOEDT and STRAIN approached the residence at 469 Deming Place, Chicago, Illinois for the purpose of interviewing Mrs. KATHLEEN FISHER, alias KATHLEEN EDENS, who was a former landlady of [REDACTED] EUSTACE MULLINS, in an effort to obtain additional background information as well as information concerning his current habits and beliefs. b6 b7C

As the interviewing Agents rang the doorbell an elderly white female peered through the curtains covering the front door window. The Agents asked to speak with KATHLEEN FISHER to which the individual replied that she was not home and had no idea what time she could be reached. Inasmuch as the individual appeared to fit the description known to be KATHLEEN FISHER, the Agents inquired as to whether or not she was in truth the KATHLEEN FISHER they sought to speak with. The individual immediately drew the curtains together and declined to answer subsequent knocks on the door by the interviewing Agents.

The Agents returned to the Bureau car and as they were driving away noticed a young white female woman leaving the residence at 469 Deming Place carrying a case which appeared to be the carrying case of a portable typewriter. Agent STRAIN confronted the young lady, displaying his credentials and asked if she had just left the residence at 469 Deming Place. This individual replied by stating in a heavy German accent that she did not speak English, however, seemed to recognize the badge as the badge of a law enforcement officer. She immediately displayed an identification card reflecting her to be [REDACTED] residing at 469 Deming Place, Chicago, Illinois.

As Agent STRAIN was inspecting the identification card displayed to him by [REDACTED] he noticed [REDACTED] discreetly signal to passing traffic to continue moving. As Agent STRAIN lifted his head from the identification card, he noticed the black 1950 Plymouth automobile, bearing 1958 Illinois plate 2953661 which is owned and operated by EUSTACE MULLINS, [REDACTED] the subject, and is at the subject's disposal.

This automobile was operated by two white male individuals who could not be identified by the interviewing Agent. This car proceeded down the street out of sight.

The Agent continued to make an effort to interview [redacted] and each of the queries met with the same reply "I do not speak English." [redacted] abruptly ended the interview when she picked up her case and walked briskly to the corner bus stop where she boarded a local bus.

Agents TOEDT and STRAIN proceeded to the residence of the subject [redacted] where the automobile owned by EUSTACE MULLINS was observed parked in the alley directly behind the back staircase leading to the subject's apartment. Surveillance of the apartment was maintained, however, neither MULLINS or [redacted] was observed to leave or was [redacted] observed to enter the subject's apartment.

No interview of [redacted] is contemplated at this time in view of Bureau letter to Chicago dated December 29, 1958, captioned "WALLACE HUGH ALLEN, ET AL, BOMBING OF TEMPLE, 1589 Peachtree Road, Northwest, Atlanta, Georgia, October 12, 1958; INFORMATION CONCERNING," reflecting that [redacted] had testified on behalf of [redacted] during [redacted] trial in connection with instant bombings.

This report sets forth numerous interviews of individuals residing near [redacted] in an effort to ascertain if he is away from his place of abode at any extended periods and specifically if he was away from his residence on October 12, 1958, the date of the bombing of the temple in Atlanta, Georgia.

These interviews did not reflect any information of investigative value in this regard, however, this report does reflect [redacted] was in Knoxville, Tenn. in 1957 and in Louisville, Ky., Sevierville, Tenn. and throughout Ala. in 1958.

This report is being placed in a pending inactive status inasmuch as all leads concerning background have been covered and neighborhood sources established. The sources developed will be contacted periodically by the Chicago Division and the subject's activities will be reported every six months.

"Dear Sirs:

"I, the undersigned Gentile cattle, [redacted] having come of [redacted] years of age, am now eligible for the slaughter-pits of Korea. Like millions of other teen-age American boys, I will risk having my guts spill on the ground to further the plans and profits of world Jewry. Instead of killing the swarms of Jewish Communists who infest our cities, I am to be sent thousands of miles away to fight Communism

"In reality, as an Aryan, I am to be slaughtered according to the precepts of the Protocols of Zion. It is my hope that before I am killed in the kosher ritual manner I may be able to inform some of my comrades of the real reasons behind our being shipped out in cattle-boats to the Jew Communist-planned massacre of white American youth.

"Kindly inform me when I am to be killed for Red Annie Rosenberg and her kind:

"Yours for the American Republic,

/s/ [redacted]

It is noted that your office has previously indicated that an interview with [REDACTED] was considered desirable. However, the Bureau instructed that no interview be conducted for the reason that [REDACTED] was a [REDACTED] at the trial of [REDACTED] second trial has now ended in acquittal and the objection to interviewing [REDACTED] no longer exists.

In view of [REDACTED] background, it can be anticipated that he will not exhibit a cooperative attitude upon interview. However, the psychiatrist who examined [REDACTED] at the Selective Service Center, Milwaukee, gained the impression that [REDACTED] would not be capable of covering up wrongdoings on his part. It is therefore believed that [REDACTED]

[REDACTED] described in Buairtel to SAC, Albany, copies to all continental offices, dated 10-23-58, captioned "Bombings and Attempted Bombings, Racial Matters."

This interview is to be conducted by two mature and experienced Agents in a place and under conditions subject to the Agents' full control. The Agents should be most circumspect in their conduct and in the phrasing of their questions in order that [REDACTED] will have no factual basis for attacking the Bureau. This is not to infer that the interview is to be conducted in a casual manner. On the contrary the success of the interview may depend upon firm and vigorous questioning.

Rebuairtel dated March 3, 1959.

Numerous surveillances have been conducted in the vicinity of [REDACTED] place of residence at Chicago, however, [REDACTED] has not been observed to enter or leave the building.

Periodic contact with [REDACTED] neighborhood source [REDACTED] reflects that [REDACTED] has not been observed in the area since prior to the agent's contact with EUSTACE MULLINS. [REDACTED] has advised that he will immediately contact the Chicago Office of the FBI should he see [REDACTED] or learn of his whereabouts.

It is to be noted that the car owned by MULLINS, which is reportedly at the disposal of [REDACTED] has not been observed in the area of the residence during the surveillances.

Caution is being exercised to interview [REDACTED] away from [REDACTED] MULLINS, in view of MULLINS' reputation as a prolific writer and his recent slanderous letters written to the Director.

Efforts are also continuing by the Milwaukee Office to contact and interview [REDACTED] at the residence of [REDACTED]

Re Chicago letter dated March 10, 1959, and Milwaukee radiogram dated March 10, 1959.

Since submission of above referenced Chicago letter, the following investigation has been conducted in an effort to locate and interview the subject. During the week of March 9-13, 1959, surveillances were conducted during the morning and evening hours at the residence of the subject; however, at no time was the subject or [REDACTED] EUSTACE MULLINS, observed. A check of the surrounding neighborhood did not reflect that the automobile owned by EUSTACE MULLINS was parked in the area.

b6
b7C

Protext telephone calls to the subject's residence are impossible inasmuch as the Special Operator, Illinois Bell Telephone Company, Chicago, Illinois, has advised that the telephone listed to EUSTACE MULLINS has been discontinued, reason not stated.

On March 13, 1959, [REDACTED] neighborhood Source [REDACTED] advised that he has not seen [REDACTED] or MULLINS since some time around February 23, 1959. He added that he has not [REDACTED] during this period and believes that neither [REDACTED] nor MULLINS are using the apartment at this time. He related that should he see the subject he would advise the Chicago Office of the FBI.

b6

[redacted] advised that they are home all day long and have not observed or heard [redacted] or MULLINS in their apartment for the past couple of weeks.

On March 16, 1959, [redacted]

[redacted] was interviewed at the [redacted] Chicago. She stated that she has not personally met [redacted] but knows that he has in the past stayed at [redacted] farm outside of Chicago.

She stated that she has not been to the farm in some time and had no idea if [redacted] or MATTHIAS were residing there at this time. It is noted that WILLIAM WERNECKE was recently placed under arrest by the Chicago Police Department for hiring a third individual to kill a real estate associate of WERNECKE's with whom he had been having trouble.

On March 16, 1959, [redacted]

[redacted] Chicago, was interviewed, at which time she stated that she was associated with WILLIAM WERNECKE in the real estate business and has known both [redacted] and EUSTACE MULLINS to have resided with WERNECKE on his farm outside of Chicago in the past but does not believe these two individuals are currently residing at the farm. She stated that she knows MULLINS but has never met [redacted] but has heard his name during discussions with WILLIAM WERNECKE.

She further related that both MULLINS and [redacted] have in the past resided at the residence of an elderly woman who is in the antique business in one of the Chicago suburbs. She related that this individual is Mrs. DORE PERRENOT who resides 45 Main Street, Huntley, Illinois.

CG 105-3527

In addition to the above investigation, spot surveillances were conducted in the vicinity of [redacted] Chicago, a former residence of the subject and location at which the subject has previously been observed, with negative results. It is noted that the landlady at the above mentioned residence, KATHLEEN FISHER, has on three separate occasions refused to talk to agents of the FBI.

For the information of the Louisville Office, the Atlanta Division advised the Bureau by airtel dated 11/21/58, that investigation indicates [REDACTED] is an above average suspect in the case titled "WALLACE HUGH ALLEN, ET AL; Bombing of the Temple, 1589 Peach Tree Road, Northwest, Atlanta, Georgia, 10/12/58".

Some members of the National States Rights Party are apparently involved in the actual bombing. [REDACTED] is known as [REDACTED] the NSRP and a person with known anti-semitic feelings. [REDACTED] visited EMORY CORNEY BURKE, prime suspect in this case, at Atlanta in the Spring of 1958. During the same period, [REDACTED] also assisted Admiral JOHN CROMMELIN, violent anti-semitic, in his campaign for governor of Alabama. [REDACTED] is personally acquainted with and has associated with a number of subjects and suspects under investigation in this case.

Atlanta requested that [REDACTED] be located [REDACTED] and obtain information concerning his knowledge and experience in the use of explosives.

Subsequently the Bureau instructed that no interview be conducted for reason that [REDACTED] was a [REDACTED] at the trial of [REDACTED]. However, by letter dated 2/5/59, the Bureau advised that since

[redacted] second trial had ended in acquittal the objection to interviewing [redacted] no longer exists. This letter reflects that in view of [redacted] background it is anticipated that he will not exhibit a cooperative attitude upon interview. However, the psychiatrist who examined [redacted] at the Selective Service Center, Milwaukee, gained the impression that [redacted] would not be capable of covering wrong doings on his part. It is therefore believed that [redacted] should be interviewed concerning his knowledge of major bombings and attempted bombings described in Buairtel to SAC, Albany, copies to all continental offices dated 10/23/58, captioned "Bombings and Attempted Bombings, Racial Matters".

b6
b7C

The Bureau instructed that this interview is to be conducted by two mature and experienced agents in a place under conditions subject to the agent's full control. The agents should be most circumspect in their contact and in the phrasing of their questions in order that [redacted] will have no factual basis in attacking the Bureau. This is not to infer that the interview is to be conducted in a casual manner. On the contrary, the success of the interview may depend upon firm and vigorous questioning.

Since receipt of the above communication from the Bureau, the Chicago Division has conducted extensive investigation to locate and interview [redacted]. However, he has not been located in the Chicago Division and neighborhood sources and neighbors advised they have not seen [redacted] or his roommate, EUSTACE MULLINS, (subject of another racial matter case, 00: Chicago) since prior to 2/23/59.

Investigation reflects that [redacted] does not own an automobile but drives with MULLINS in MULLINS' car and has access to this automobile.

AIRTEL

CG 105-3527

The Milwaukee Office advised that spot checks and surveillances at the residence of the subject's parents indicates [] has not been in the Milwaukee area since prior to the Christmas holidays, 1958.

b6
b7C

On 4/7/59, the automobile believed to be owned by MULLINS was observed for the first time since 2/59 in the vicinity of his apartment, bearing 1959 Kentucky License J54-175, with the word "Jefferson" on the plates. This car previously held a 1958 Illinois registration registered to EUSTACE MULLINS.

Information previously furnished to the Chicago Office reflects that [] NSRP attended a convention of this organization in Louisville, Kentucky, on 8/30 - 31/58. Accordingly, Louisville is requested to ascertain to whom the above Kentucky Automobile Registration was issued and will conduct appropriate investigation at that address to ascertain if [] or MULLINS are residing there. Will, if [] is in the area, interview in accordance with Bureau instructions set forth above.

If [] is not located, will contact logical informant to ascertain if [] has recently been in the area and the nature of his business if known.

It is noted that the Bureau has instructed that this matter be given continuous attention until [] is located and interviewed.

It is noted also that a reliable informant has advised that both [] and MULLINS are allegedly homosexuals.

OO: New Orleans

Re New Orleans Airtels to Director, dated 8/5/59 and 8/14/59, copies of which were furnished to Milwaukee, New York and Chicago; report of [redacted] dated 8/14/59 at New Orleans.

On August 10, 1959, [redacted] Chicago, Illinois, an established source furnishing information concerning the residence of EUSTACE MULLINS former roommate of the subject, advised SA [redacted] that she has not seen the subject in the vicinity of MULLINS' apartment in some months. She stated that she has not seen MULLINS in the area in the last week or two and believes that he must be on another one of his trips.

b6
b7C
b7D

[redacted] related that she knows the subject by sight and would immediately contact the Chicago Office of the FBI should she observe him in the area.

In connection with the former employment listed by the subject at the Federal Building Service, 7028 N. Lincoln, Chicago, Illinois, between June 1955 and April 1959, the following investigation was conducted by SA RICHARD L. STRAIN on August 23, 1959.

It was observed that there are only two places of business located between the 7500 block and the 7900 block on North Lincoln Avenue on either side of the street. The remaining ~~of the~~ property in this area is the location of the Niles Township School, its athletic fields and parking lots. With regard to the two business establishments; [redacted] in the Law Offices located at 7567 North Lincoln, advised that in the four years she had been in that office she has never heard of a Federal Building Service in the area.

[redacted] advised that in the ten years he had been located at this address he has never heard of the Federal Building Service being in the area. b6 b7C

A review of the telephone and business directories for Chicago and the surrounding area does not reflect the existence of a Federal Building Service.

The telephone directory for the suburb of Des Plaines, Illinois, does reflect that a N.A. MUELLER resides at 625 Miller Road in that town. There were no other listing for that name in the Chicago Directory.

It is noted that the subject listed, in connection with his employment at Chicago, his supervisor as, [redacted]

[redacted] Des Plaines, Illinois, advised SA STRAIN on August 28, 1959, that his son was [redacted] and that he is currently employed by a medical supply house in Chicago. He related that neither he or his son have ever been in the building service business and that he has never heard of the Federal Building Service or of the Subject.

On August 28, 1959, [redacted] clerk, LE/21, U.S. Selective Service, 622 West Diversey Street, Chicago, Illinois advised SA STRAIN that she could locate no registration for the subject. She related that his registration would be located in the city where he registered or in the city he listed as his home.

A review of the subjects file indicates he registered with LB # 1, 150 Nassau Street, New York City on March 27, 1953 and was assigned SSN [redacted]. The file also indicates that [redacted] has communicated with a draft board located in the Federal Building in Milwaukee.

There are no logical informants in the Chicago Division who could furnish information concerning the subject present whereabouts; However, it is believed that should [redacted] return to the Chicago Area, he would [redacted] with EUSTACE MULLINS. MULLINS is under continued investigation by the Chicago Division and [redacted] would be ascertained through established neighborhood sources.

CG 105-3527

A review of the subject's file at Chicago reflects that the cover pages for the Chicago report dated 12/9/58, furnished to New Orleans, were inadvertently deleted from the enclosures. Accordingly, these pages are enclosed with this communication for New Orleans.

The Milwaukee and New York Offices are requested to contact the respective local draft boards, mentioned above, to ascertain if [] has advised them of a change of address

REGISTERED MAIL

TO: DIRECTOR, FBI (105-66233)
FROM: SAC, NEW YORK (105-28550)
SUBJECT: NATIONAL STATES RIGHTS PARTY, aka
RACIAL MATTERS
(OO:LOUISVILLE)

ReBuairtel to NY, 9/28/59.

Reairtel advised NYO [redacted] issue of "The Thunderbolt" official organ of captioned organization will continue to attack the Bureau and might carry an article attacking the character of the Director.

According to information furnished by [redacted]

[redacted] an article inferring that the Director possesses homosexual tendencies and the author of this article was described as a German in NY who during World War II was "harassed" by the FBI because he did not want the US to fight HITLER but wanted to let HITLER destroy Russia.

The Bureau advised that the author of this article may possibly be identical with FREDERICK WEISS, who in 1956 was associated with JAMES H. MADOLE in the National Renaissance Party (NRP).

The Bureau instructed NYO to check logical sources and informants and furnish the Bureau with views as to possible authors of the article with current background information concerning them, placing particular emphasis on any indications of homosexual tendencies or mental instability.

AIRTEL

NY 105-28550

On 9/29/59, [redacted] NYC, (conceal) advised SA [redacted] that the following individuals might possibly be identical with the author of the above-mentioned article: KURT MERTIG, C. DANIEL KURTZ, FREDERICK WEISS, ERNEST KIMHURST or CONRAD GRIEB. b6 b7C b7D

On 9/29/59, [redacted] who has furnished reliable information in the past, advised SA EDWARD H. NAEDEN that the only individual he thought might be identical with the author of the above-mentioned article is CONRAD GRIEB. b7D

A review of the NYO files reflects the following concerning these individuals:

CONRAD K. GRIEB (NY 105-32680) was born on 6/30/05 in US and as of 11/58 was residing at 142 W. 91st St., NYC, with one, [redacted] and was then reportedly employed as a book salesman. b6 b7C

According to information furnished by [redacted] on 11/25/58, GRIEB and [redacted] are homosexuals. b6 b7C b7D

Records of G-2, First Army, NYC, in 5/42 reflected that GRIEB was reported to be openly pro-Nazi, very anti-Semitic, anti-Communist, and reportedly stated at one time that HITLER was the saviour of the world.

GRIEB authored a pamphlet entitled "Justice Like Charity Begins At Home," which consists of an open letter to President TRUMAN and deals with the trial of the German war criminals and is a defense of the action of Germany during World War II.

AIRTEL

NY 105-28550

In this pamphlet GRIES states World War II was formented by France and England and names FRANKLIN D. ROOSEVELT, WINSTON CHURCHILL, BERNARD BARUCH, HERBERT LEHMAN and others as the real war criminals.

The name of CONRAD GRIES appeared on a list captioned "National Renaissance Party."

FREDERICK CHARLES FERDINAND WEISS (NY 100-111893) is an alien who was born on 7/31/35 at Pforzheim, Germany, resides at Weiss Farm, Middletown, NY, and owns and operates a rooming house at 156 Grand St., White Plains, NY.

WEISS, according to [redacted] in 4/53, was the organizing influence behind neo-Nazi, pro-Fascist and anti-Semitic organizations in the US. This informant further advised in 4/53 that WEISS was then owner of Le Blanc Publishers, 208 E. 86th St., NYC, through which he wrote and distributed anti-Semitic, pro-German literature. b7D

WEISS was reportedly connected with the National Renaissance Party headed by JAMES H. MADOLE and was reportedly financial backer of this organization. WEISS reportedly wrote much of the material appearing in the "National Renaissance Bulletin", official publication of the NRP.

WEISS interviewed by SAS of the NYO as recently as 12/58 denied membership in any organization and stated he never had any connection with the NRP.

KURT MERTIS (NY 100-16314) was born on 9/5/36 in Leipzig, Germany; became a US citizen in Bronx, NY on 1/30/31 and as of 6/56 was residing in Apartment 8, 508 2nd Ave., NYC.

AIRTEL

NY 105-28500

On 8/15/56, [] advised that MERTIG, who had been active in German organizations for over 15 years, had been listed as Vice-President of NRP which was headed by JAMES H. MADOLE. The informant advised that this title was in name only and MERTIG never had any actual control over the activities of the NRP. b7D

[] stated that MERTIG was in very poor health, quite aged and approaching senility.

The preliminary report on neo-Fascist and hate groups released by the HCUA on 12/12/54 indicated that KURT MERTIG had become NYC Chairman of the NRP and his office at 317 E. 54th St., NYC, had served as NRP headquarters and indicated that from this office MERTIG had also operated as chairman of two of his own organizations, the Citizens Protective League and the German-American Republican League of Greater New York, both of which have been designated by the Attorney General of the US pursuant to Executive Order 10450.

ERNEST ELMHURST (NY 100-9654) was born in Germany in 1891 at Pallerleben, Germany, and entered the US at NYC on 11/19/22 under name of ERNEST FREDERIK CARL KLOPPLEISCH. He was naturalized in USDC, Boston, Mass., on 4/22/29, certificate #2940361, at which time he had his name changed to ERNEST FREDERIK ELMHURST.

ELMHURST is author of "The World Hoax" in which he attempts to show the tie-up between Communism and World Jewry.

ELMHURST's last known residence is 325 E. 56th St., NYC, and in 1932 he delivered a lecture in Hanover,

AIRTEL

NY 105-28500

Germany before various youth organizations in which he advanced pro-Nazi arguments and attacked Great Britain.

C. DANIEL KURTZ was described by [redacted] in 12/58 as a "crazy self-styled leader of the Christian Front", an organization which KURTZ claimed was still in existence. The informant stated that KURTZ was committed to Bellevue Hospital, NYC, in 1940 or 1941 by a NYC Magistrate for mental observation and, prior to that time, was committed by his wife to Kings County Hospital, Brooklyn, NY, for mental observation. b7D

KURTZ was born on 11/10/91 and resided at 190-04 Woodhull Ave., Hollis, Queens, NY.

According to [redacted] previously mentioned, KURTZ, who was very active in the Christian Front in NYC in 1939-1940, died several months ago. b7D

It is noted that the [redacted] issue of "The Thunderbolt", official organ of the NSRP, contains an article by [redacted] entitled [redacted] b6 b7C

[redacted] which is very derogatory of the FBI and Director J. EDGAR HOOVER.

In view of the nature of this article, it is felt that [redacted] might possibly be the author of the aforementioned article which is to appear in a future issue of "The Thunderbolt." b6 b7C b7D

New Orleans, last known office of origin in the case of [redacted] is therefore requested to comply with Bureau instructions concerning this matter as set forth above. RUC. b6 b7C

[] Chicago, Illinois, made available to SA [] a typewritten report dated September 2, 1959, from an undesignated [] informant from New York, New York, concerning MULLINS. That report is retained in Chicago file 105-1152-

That report in substance stated that EUSTACE MULLINS and [] had recently visited Admiral CROMMELIN. During that visit, CROMMELIN happened to walk in on one of their "intimate manipulations" in his, CROMMELIN's, home and burst with indignation and ordered them off the premises. []

b6
b7C

WEISS contemplated sending MULLINS money to come to New York in a few weeks in order that MULLINS might assist WEISS in preparing some pamphlets. WEISS did not want MULLINS on his farm but has remarked that he could put him up at an apartment house he owns in White Plains, New York. [] has positively refused to permit MULLINS to visit the WEISS farm.

b6
b7C

On September 23, 1959, [] also made available to SA [] a second report by the same [] informant from New York, which report, dated September 6, 1959, concerned MULLINS and one YOCKEY. That report is retained in Chicago file 105-1152-

b6
b7C
b7D

That report in substance states that WEISS counts on MULLINS, YOCKEY or both to provide literary talent for WEISS. WEISS regards YOCKEY as a genius and prefers him over MULLINS; however, as a second choice, he would settle for MULLINS, who while having talent also has emotional complications which make it difficult to keep him "on the track". MULLINS is within reach provided WEISS finances him, while YOCKEY remains remote and elusive.

A purported German-American has written [redacted] in German from the West Coast, intimating that he is in touch with YOCKEY; however, WEISS recognizes YOCKEY's style in the letter and sees it as an offer of services if he is willing to underwrite YOCKEY.

In the meantime, MULLINS, who is back in Chicago, is ready to come and is requesting money from WEISS, who expects to send him enough within the coming weeks. WEISS, however, has not decided when that should take place. WEISS is excited about re-establishing contact with YOCKEY; however, he will not attempt to get YOCKEY to work for him until he is certain that YOCKEY is in a position to deliver in exchange for the money. WEISS has stated that if YOCKEY could not be under his thumb, he would be throwing away his money.

New York is not being designated a copy of this memorandum regarding WEISS inasmuch as that office, according to [redacted] receives copies of the above [redacted] informant's reports from the [redacted] office in New York City.

It is noted that DAVID LEONARD SQUIRES, previously identified as a bombing suspect within the Chicago Division, has been deleted from this category in that he, on June 16, 1959, was committed to the South Carolina State Penitentiary for a period of 21 years for armed robbery. The Bureau has been advised of this deletion.

In accordance with existing Bureau instructions, Manual of Instructions, Section 23(D), it is necessary that verification of each of above subjects' residence, employment and description of auto should be made each six months; however, it is not necessary that the individual case be maintained in a pending status.

It is requested that a tickler be set based on the date of last verification and that a copy of results of each succeeding verification be designated for Chicago file 157-2 (Control File).

The Manual of Instructions reference, previously mentioned, also instructs that in addition to subject's background, information should be developed to show hours of employment, description of automobile and license number, photograph, handwriting specimen, identification record and whereabouts as of the times of pertinent bombings in the past. In addition, a reliable neighborhood source should be developed and an alternate Agent should be designated to assume responsibility for the suspect in the absence of the assigned Agent. If it is indicated that the suspect may personally handle explosives, the Latent Fingerprint Section should be requested to include him in the Single Fingerprint Explosives File.

CG 157-2

Complete information from Chicago files is to be furnished the Bureau to include the names and aliases as well as descriptions and arrest or FBI numbers of suspects.

It is requested that files concerning each of the above identified individuals be reviewed to ascertain if all instructions relative to potential bombing suspects have been complied with.

Should information become available indicating the subject should be deleted as a potential bombing suspect, the Bureau should be immediately notified.

Upon completion of review of these files it is requested that all information as required by Bureau instructions regarding these matters be recorded in subject's file by memorandum setting forth, among other required data, the name of the Agent to whom responsibility for the subject is assigned, as well as the name of the alternate Agent. A copy of this memorandum should be directed to 157-2.
